## A. F. S. Student

Meet Friederike Heller, this year's American Field Service student, from Gottingen, Germany, who is living with the B. D. Kuhl family.

Friederike has two sisters, both of whom are students at a German university. Here she has four "sisters," Barbara, Carolyn, Amy, and Sally Kuhl. Friederike enjoys traveling, and has been to France and England. She also enjoys horseback riding, swimming, and going to the theater, or "cinema."

Her friendly smile and sparkling personality have endeared her to everyone at Baker High.

## FOOTBALL AGAIN BRINGS BULLDOGS MIXED SUCCESS

Late in August, 1965, Baker High School began its football season. During the first three weeks the team felt many ups and downs and failed to jell as expected. However, in a short time the Bulldogs started to function as a unit and won three straight conference games.

The highlight and turning point in the season was a 19 to 15 loss against Pendleton. Baker showed great spirit and desire against this team but failed to score the touchdown from their two yard line. After this game Baker developed troubles such as injuries, lack of experience, attitude, etc., and began a downhill slide.

Baker is to be congratulated for the fine athletes it turns out. The coaching staff can find many fine points to the season of 1965, and, furthermore, can be looking forward to a fine next season.

## HURRAH FOR THE BULLDOGS!

After a tremendous season in 1964-65, when they lost out going to the tournament by only one game, the Bulldogs roared back and have just earned a well-deserved trip to the big affair in Portland. With only one starter back from last year's team (Blair Sturgill), and with the conference loaded with experienced players, the Bulldogs were voted to finish no better than sixth in the eight-team race. Highlight of the season was that, after being down with three losses, the Bulldogs fought back to beat the top teams in the league in some thrilling and exciting games. They beat Hermiston at Hermiston in regular play, then came back with a repeat performance in the playoff game at Hermiston.

This Bulldog team is a team of no stars. They went into each game with a serious dedication seldom seen in a team, and this has paid off in victory after victory over more experienced teams.

We will certainly miss the great dedication and example set by the graduating seniors this year. Gone will be such stalwarts as Blair Sturgill, Greg Albrecht, Rex Head, Ed Mehlhorn, Frank Rosales, and Ted Atkinson. We salute you for a job well done. If Juniors Larry Geils, Ed Thomas, Bob Hall, Mike Huffman, Gary Barton, and Robin Waters will follow this year's seniors, Baker could again have a fine team in '66-'67.

Again we salute you, the Bulldogs of 1965-66, and hope you play the game of life as you have so exemplified it this year.

# Bulldogs To State!

Baker edged by Bend, LaGrande, and by Hermiston three times to claim the Intermountain Conference second place berth to the State Tournament in Portland. Second only to Bend, Baker had fabulous success this season and proved Baker still produces some of the finest teams in the state.

The Seniors have watched Baker travel to State in their Sophomore year, almost in their Junior year, and now in their Senior year. We salute the merchants of Baker for their support, the public for theirs, and the faculty, the coach, the student body, and many our players who together as a team worked and won, and, we hope, received satisfaction for their efforts.

# Track in Review

The track season for 1965 proved to be a fruitful one for the Baker Cindermen. Braving the usual adversity of the elements the fleetfooted Bulldogs raced to a record-smashing season. A total of 11 track records were broken during the year and top times and distances went up to take their places on the track scoreboard

In a dual meet, the Baker thinclads could compete with the best in the state, but lacked the depth to score as heavily in relay meets or invitationals. During the year, Tom Case, Larry Derrick, and Gary Hanby all appeared in the top 10 in the state in track bests. These three trackmen also went on to place in the district meet and represented their team in the state meet in Corvallis.

Graduation cut deeply into the squad but a fairly strong nucleus will still remain to anchor this track team.
